Most of the ladies attending Module II or Module III classes in early 2009, will progress to Module III or Module IV in second half of 2009 accordingly. Anyone else who would like to attend these 'advance' classes will have to meet with the volunteer tutor during the first or second session (refer to table below for date of first session) for a brief assessment interview to determine if she will benefit from attending the class. The interested applicant should go straight to the class she would like to join, speak with the volunteer tutor, and if eligible, register 'on-the-spot' with her. **There is no need to register in advance.**

Note: There are no Module II classes during period Jul 2009 – Jan 2010.
